Our Year 12s take on their final General Knowledge quiz

This year, our theme of 'Woven Together' reflects the ongoing work of God in shaping our community. Indeed, 2025 has been a year of significant growth for Heathdale Christian College across both our campuses at both ends of the learning journey.

On our Melton campus we have our first Year 12 students on their way to graduation, marking the fulfilment of a significant milestone of a complete Prep to Year 12 journey at Melton. While at our Werribee campus, we welcomed our youngest ever students, who joined our inaugural 3-year-old Kindergarten program. Over the last few years, we've seen an increasing number of students graduate from Heathdale who started with us in 4-year-old Kindergarten. For these families joining us at 3-year-old, it will mean a longstanding relationship with the College that will extend to 15 years, and it excites us to know we can stand alongside parents as they raise their children and discover their God-given potential.

For the benefit of all our families, we were pleased to complete the Southern carpark on our Werribee campus. Connecting two entries to Derrimut Road, it has significantly improved access and flow for parents as well as incorporated more parking, drop-off and pickup zones, and new fencing and gates that enhances the safety of our students and staff on campus.

THE YEAR IN REVIEW

2025 has been a year of growth, innovation and community at our Werribee Campus.

One of the most visible improvements has been the completion of Stage 1 of the Car Park Redevelopment, which added 190 new spaces and significantly improved traffic flow and safety.

We proudly launched our new 3-Year-Old Kinder program, expanding our early years offering and welcoming our youngest learners into the Heathdale community. In the classroom, we welcomed some new highly experienced Learning Enhancement Coordinators and Learning & Teaching Coordinators in our sub-schools, who have driven targeted support and data-informed teaching practices, using insights from NAPLAN, PAT testing and school reports.

Our commitment to Christian education has deepened across the College, with 20 staff completing postgraduate studies in Biblical Foundations and Worldviews, strengthening the spiritual framework that underpins our learning environment.

Complementing classroom learning, students across both campuses have engaged in a rich array of camps, incursions, excursions and leadership development opportunities, all designed to nurture personal growth and deepen connections with others. These experiences have helped students build confidence, explore new interests and develop practical skills, contributing to a truly holistic education that nurtures the whole child.

Students across Years 10 from both campuses came together for Careers Week, and our second annual Careers Expo, which featured over 30 exhibitors, provided students and parents from Years 7–12 with valuable insights into future pathways.

Sport continues to thrive, with Werribee building partnerships with the AFL, Cricket Australia and Netball Victoria to enrich student experiences. Facility upgrades, including asphalt improvements in the lower Primary area, will support future growth and outdoor learning.

Beyond academics, our students have flourished in House events, academic competitions and Performing Arts, with preparations already underway for our 2026 production of 'Shrek the Musical'.

Wellbeing and spiritual growth remain central, supported by programs such as Big Kids Table, PeaceWise, Bravehearts and eSafety, which equip students with wisdom, confidence and resilience. These initiatives reflect our belief that strong partnerships with families are essential to student success.

LOOKING FORWARD

As we cast our minds ahead to the future, we can rest in the knowledge that God is the one who will continue to weave our community together. He has shaped Heathdale into its current form of two campuses, many individuals, all moulded into something greater than its parts. Where unity is not about sameness but about embracing the diversity of who God made us to be, and coming together with a shared heart for learning, growth and service. I look forward to all that God has in store for our community as we continue to invest in and nurture the next generation of students to develop their God-given potential and contribute to the fabric of our wonderful community.

How do we invest fees?

As we consider the continued development of our vibrant Christian learning community, our desire is to remain good and faithful stewards of the funding we receive from families and government. While there are many everyday costs and long-term investments associated with running the College and planning for its future, these are our key areas of investment.

OUR STUDENTS

Everything we do at the College is aimed to fulfil our purpose of honouring and glorifying God through the provision of Christian education that helps student's discover and develop their God-given potential. At every stage, whether it's investing in IT infrastructure and digital learning tools, developing purposeful facilities through our Masterplan or implementing new curricular and co-curricular programs — the desire to partner with families by enriching our students' lives and learning, and set them up for success, is at the heart of our planning and financial decisions.

OUR STAFF

Our incredible, dedicated Christian staff are at the heart of the Heathdale experience. Each models an authentic, faithful life and is equipped to learn, grow and serve effectively in their area of teaching or College administration. Our teachers pour passion into their work—whether building the foundations of literacy and maths in Prep students or specialising in the many subjects offered in Secondary. Our Welfare teams help foster a safe environment where students feel dignity and belonging. Supporting the smooth running of the College, our Business Services team manages vital areas such as digital infrastructure, family engagement, financial stewardship, maintenance of College facilities, and more.

OUR FUTURE

We continue to advance two initiatives that will guide the College into the future; our Strategic Directions and Masterplans. The Strategic Directions provide five areas of growth for the College – Nurturing our Christian Culture & Identity; Leading the Learning of Tomorrow; Developing Vibrant & Purposeful Spaces; Thriving Communities; and Growing for our Future. These five pillars embrace our Past, suit our Present and allow us to move boldly into the Future. While our Masterplans for the Melton and Werribee campuses envision significant development of both campuses as we seek to enable the growth of our College and provide for our students today and tomorrow.

SIBLING DISCOUNTS

We value families learning together at Heathdale, which is why we prioritise the enrolment of siblings and have always offered discounted fees for siblings when they are enrolled at the College together. While we understand cost of living increases impact every family, they significantly impact larger families. Therefore, the College offers discounts for sibling tuition fees outlined in the table below, and from the fourth children onwards (when simultaneously enrolled at the College) tuition fees will be free of charge!

Discount on Tuition Fees	
Second Child	15%
Third Child	35%
Fourth Child Onwards	100%

Please note: To qualify for sibling discounts on tuition fees, children must be enrolled at the College simultaneously. This also only applies to tuition fees and not other charges such as the Resources Levy or co-curricular fees.

MATCHING HEALTH CARE CONCESSIONS

Families on valid health care cards can apply for the Camps, Sports & Excursions Fund (CSEF) to assist them in covering the cost of extra-curricular activities. For 2026, the Victorian Government has announced a significant increase to the scheme, now offering a single rebate of \$400 to families of qualifying Primary and Secondary students.

For the last two years, the College has matched the amount of fee relief to all CSEF qualifying families. We are pleased to continue this, providing a substantial fee credit of \$800/year for every qualifying child. To claim this significant rebate, we encourage all relevant families to send a copy of your valid health care card to our Accounts department at accountsreceivable@heathdale.vic.edu.au by 26 June 2026. Our team will assist you in applying for the CSEF and if approved, the full amount, including Heathdale's matching contribution, will be credited to your account.

Please refer to www.servicesaustralia.gov.au/concession-and-health-care-cards for advice on qualifying health care cards.
