

Jesus is Whipped

"Then Pilate took Jesus and had Him flogged."

John 19:1

After the trial with Pilate, Jesus was sent to be whipped before being crucified. This was very painful for Him, but He did not give up hope, as He knew that it had to happen so that He could save us.

Why did Jesus get whipped?

Jesus was whipped as part of the punishment he received before being crucified, which means to be put on a cross and killed. It was a painful and cruel way for the people who wanted to hurt Him to cause Him even more suffering.

Prayer

Dear God,

We thank you for the sacrifice that Jesus made to save us. Please help us to understand how deep Jesus' love is for us. Even in excruciating pain, He stayed committed to your plan. By Your grace, may we too have the courage to endure hardships and the perseverance to remain steadfast in our commitment to you.

In Jesus' Name we pray. Amen.
