

Zanna & the Lost Code

On 29 March Brainstorm Productions will be presenting their student wellbeing performance 'Zanna & the Lost Code' for Years 3-6. This live theatre experience inspires and empowers students to be respectful, responsible, assertive and resilient, both online and offline.

When Zanna and Eddie arrive at coding camp, they embark on a magical journey into the Camp Captain's new online game for kids. Through a series of exciting challenges, Zanna and Eddie experience the power of empathy, respect, kindness and assertive communication. They discover that we all have the power to make the internet a safer and more positive place.

'Zanna & the Lost Code' is developed in collaboration with teachers and psychologists and aligned with key outcomes from the Australian and Victorian Curriculum. The show is designed to spark conversations about bullying, cyber safety and resilience amongst our students.
